

In Office - New Patients:

1. Please print and fill-out all (5) forms under the heading, "New Patient Forms."
2. THIS IS VERY IMPORTANT: All of your forms MUST be filled-out, COMPLETELY and returned within 3 working days of your new patient appointment. Please include all pertinent reports and/or laboratory tests with your paperwork. A delay in me receiving, beforehand, your forms/tests will most likely take need time away from our consultation/examination. If you arrive without your forms completely filled-out your appointment WILL be rescheduled and you may be subject to a missed appointment fee. Please see form #1 for more details.

"I can only help you to the degree you help me. I will do my part, as a doctor, to the best of my ability, each and every time you come into my office. Please do your part by being on-time and with all of your forms filled-out. Thank you in advance, Dr. Ettinger
